Emergency First Response

Emergency First Response or EFR is available to both divers and non-divers alike. It deals with CPR and how to handle certain medical emergencies. Adventure Scuba includes use of AED as well as CPR for children. Cost of course is **\$189.99** and includes all required course material and dvd rental. EFR is a prerequisite for Rescue Diver.

Rescue Diver

Upon completion of EFR the Rescue Diver course is the next step in the PADI ladder of training. Rescue Diver deals with emergency procedures of all types and is one of the most rewarding courses you will take. Tuition is **\$275.00** and does not include required course materials.

Master Scuba Diver

A Rescue Diver who has completed 5 Specialties with 50 logged dives is recognized as a PADI Master Scuba Diver. Master Scuba Diver is the highest non-professional rating you can reach. Tuition discounts are available to Adventure Scuba students who enroll in this program.

Divemaster

Divemaster is the first professional diver level. Anyone thinking of pursuing a career in diving starts at the Divemaster level. Training is offered as an internship and you will work closely with the Adventure Scuba staff to complete the requirements of the program. Course is completed at students own pace and is offered year round. Tuition is **\$599.00** and does not include required course materials.

Open Water Scuba Instructor

Adventure Scuba is a 5 Star IDC and we offer the PADI Instructor Development Course 3-4 times per year. Program prepares students for successful completion of the PADI Instructor Examination and results in student becoming PADI Open Water Scuba Instructor. Tuition is **\$1295.00** and does not include required course materials.
